Subject/Administrative areas: **132010 Integrated Science**

New License: Issue Date: **July 1, 2010**

Expiration Date: **June 30, 2015**

GOALS: Should relate to at least two of the Ohio Standards for the Teaching Profession. Your goals should be Specific, Measurable, Attainable, Results-based and Time-bound.

To plan and develop an effective program in my content area, guided by the Ohio Content Standards through collaboration with colleagues during the summer of 2010, reviewed and adapted annually. (Standard 2)

I will develop summative, common assessments to monitor student progress and improve my instruction by collaborating with my colleagues before the end of the 2009/10 school year. I will review and enhance the assessments each summer thereafter with my colleagues. (Standard 3)

To communicate clear learning goals and link learning activities to these goals by attending classes, conferences and other learning activities during the current license cycle. (Standard 6)

I will be an active member in professional growth activities to be a better educator for my students, myself, and fellow staff members during the current license cycle. (Standard 7)

I will enhance my ability in interpreting data to guide my instruction practices by completing the Value-Added Learning Network training program during the summer of 2011. (Standard 7)

All requirements are to be completed at least 4 months prior to the expiration of your license.
