

## Parents Right-to-Know

Parents of children in all Title I buildings (St. Marys East Primary School, St. Marys West Intermediate School, and St. Marys Middle School) may request information regarding the professional qualifications of their student's classroom teachers, including:

- If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or temporary status in which State qualifications or licensing criteria are waived;
- The teacher's baccalaureate degree major, graduate certification, and field of discipline;
- Whether the student is provided services by paraprofessionals, and if so, their qualifications.

If you would like such information, please contact the school with your request.
