

CRAIG KEMMANN MEMORIAL FUND

Amount to be awarded: \$2000.00

In memory of Craig A. Kemmann who had planned to pursue a career in law enforcement, specifically a canine unit, this fund has been established to assist a student hoping to pursue a career in law enforcement or similar field. Consideration is also given to those students pursuing their studies in a social related field.

While high grades are an indicator of strong areas for a student, the overall effort that one applies is just as important in achieving one's goals. For that reason, the award of this gift is not based solely on grades but rather on one's involvement to their community and peers.

This completed form with the requirements as stated may be returned to the school office or mailed to the address listed at the bottom of this form.

Requirements:

1. This completed form.
2. Letter of recommendation.
From a teacher, administrator, or advisor of an organization in which you were or are an active member.
3. List of past community related experiences
Church group, school organizations, school activities, etc. with dates/years involvement for each.
4. A short explanation of "How serving others benefits oneself."
Handwritten or typed with an approximate length of 500 words.
