

FRONTPAGE

Using the Text Book Learning Microsoft FrontPage 2000

Key each of the following and create a section for them and place them in your Company Portfolio. Attach a cover sheet and hand in the material for each project.

When you complete a level, raise your hand, and the instructor will grade your web pages for that level at your computer.

LEVEL – 1	LEVEL – 2	LEVEL - 3
Lesson 1 FP 2000 - Overview pp. 5 – 29 DO NOT INSTALL!	Lesson 9 Site Structure & Navigation pp. 159 – 184	Lesson 17 Advanced FP Components pp. 309 – 328
