April 7, 2022

Roughrider Students and Families,

On April 20-22, our Freshmen and Sophomores will be taking their Math, Social Studies and Science AIR tests. That specific schedule is listed below. We will run a 2-Hour Delay Schedule on April 20-22. Those students who are testing should arrive at normal time. The students who are not testing may arrive on a 2-Hour Delay schedule.

#### Testing Schedule:

Wednesday, April 20 - Freshmen take US History, Sophomores take Geometry

Thursday, April 21 - Freshmen take Algebra/Geometry, Sophomores take Biology

Friday, April 22 - Sophomores take Government

On these days, bussing will run on their regular schedule. Students who are not testing may arrive between 9:05-9:25. If students do not have their own transportation, they may still ride the bus in the morning and there will be supervision in the commons. Junior Tri-Star students are expected to attend at their normal time.

Thank you,

Jon Burke, MHS Principal
