Rider Families,

St. Marys City Schools is transitioning to Final Forms for all of our registration, school forms, and athletic forms beginning with the 2023-2024 school year. We believe this change will make the registration process easier for our families.

- If you currently have a child involved in school athletics, you already have a Final Forms account. You will now use this same account to complete the annual school registration forms. **(Please do not create a new account.)**
- For parents who are new to Final Forms, you will receive an account confirmation email on **May 17th** from Final Forms. This email contains a link to confirm your Final Forms account. Click on this link to create a new password and confirm your account. You'll then be logged into your Final Forms account and have access to the registration forms for the 2023-2024 school year.

Since this is a new system, we understand that there may be questions about how to complete the registration process. If you need assistance, please contact your child's building office: East Primary (419-394-2616), West Intermediate (419-394-2016), SM Middle School (419-394-2112), Memorial High School (419-394-4011), the District Service Center (419-7278) or email registrar@smriders.net. You can also reach out to Final Forms at support@finalforms.com.

While we realize that the 2022-2023 school year is just wrapping up, we'd like to encourage you to complete your child's school registration forms in Final Forms as soon as possible. This will ensure that we have accurate information to plan bus routes and send out information this summer.

Go Riders!
