Roughrider Parents/Guardians and Students,

With the forecasts predicting severe winter weather this week, we thought that it would be a good time to review the district's cancellation policy. St. Marys City Schools has closed school due to calamity/weather three (3) times so far this school year. The first five (5) cancellations of each school year are calamity days, which do not require students to make up any days of school. We currently have two (2) calamity days left. After using five (5) calamity days, the next five (5) cancellations will be remote learning days, and students will be asked to complete school work at home. Details about our remote learning plan are listed below. Additional cancellations beyond the five (5) remote learning days will be reviewed on a case-by-case basis. We will let you know as far in advance as possible whether these days will be remote learning days or made up in person.

- Assignments for the day will be shared with all students by 10am so they can work on their lessons.
- Lessons for grades 3 - 12 will be posted online in Google Classroom (or other online platform that the teacher has established with their classes).
- K-2 "Blizzard Bag" assignments will be posted to the district website. These assignments will also be shared through Google Classroom and/or Class Dojo.
- If your child will have issues accessing the internet or a device to complete his or her work, please notify your child's teacher/building administrator in advance.

If you have questions, please contact your school building administrator or me personally.

Go Riders!
